The Importance of Step Ten

Continued to take personal inventory and when we were wrong promptly admitted it.

My AA life began after my first meeting, but then in a different sense it really didn't begin till I learned the AA program of action and put it into practice. At first I thought just going to meetings and trying to practice the Twelve Steps as written on the clubhouse wall was living AA on a daily basis. Indeed, I had found a new happiness and developed many new wonderful friends. My phone was just ringing off the hook and I was going to loads of meetings and coffee houses with AA friends afterward. I was a regular social butterfly! I was involved with a religious organization and remained very busy. Yet I had not actually gone through the Twelve Step process with a sponsor. What's the hurry—I'm really doing well aren't I? Well maybe not!

One night I was alone on Hollywood Boulevard after a parade and somehow marched into a bar on Las Palmas Blvd; on my lips were: "Gin & tonic please!" Thank God those words were never spoken! Rushing home, I prayed that God would bring a sponsor to take me through the steps and in a few weeks he did. Of course, one of the major parts of my post-step life was Step Ten of which I could never had done until I have learned, and lived, the middle steps. This is what I mean (Read page 84):

1. Continue to watch for selfishness, dishonesty, resentment, and fear.
Learned in Step Four

2. When these crop up, we ask God at once to remove them.
Learned in Step Six & Seven
3. We discuss them with someone immediately
Learned in Step Five
4. And make amends quickly if we have harmed anyone.
Learned in Steps Eight & Nine
5. Then we resolutely turn our thoughts to someone we can help.
Love and tolerance of others is our code.

So, had I been living in the spirit of Step Ten, I would never have marched into that bar to begin with, and even if I did, I would have asked God at once to put me back on the beam. I have not had to drink since my first AA meeting—a long time ago—but if not for Step Ten, I certainly would have.

TRADITION TEN CHECKLIST

“Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy.”

- Do I ever give the impression that there really is an “AA opinion” on Antabuse? Tranquilizers? Doctors? Psychiatrists? Churches? Hospitals? Jails? Alcohol? The federal or state government? Legalizing marijuana? Vitamins? Al-Anon? Alateen?
- Can I honestly share my own personal experience concerning any of those without giving the impression I am stating the “AA opinion”?
- What in AA history gave rise to our Tenth Tradition?
- Have I had a similar experience in my own AA life?
- What would AA be without this Tradition? Where would I be?
- Do I breach this or any of its supporting Traditions in subtle, perhaps unconscious, ways?
- How can I manifest the spirit of this Tradition in my personal life outside AA? Inside AA?

A QUIET HEART

For years I have been quoting an old friend and mentor of mine from my early days of sobriety in 1970 when he said, “*All I want out of life is peace of mind and a quiet heart*”. The quiet heart part of that statement seemed to be what catches most people’s attention since it adds a touch of tenderness to that statement; but what does it really mean? I understand the “*peace of mind*” part of the Quote to mean, in my own words, “*absence of all unresolved mental issues*”. When he referred to “*A quiet heart*” he obviously was not speaking about that

organ inside our chest that pumps blood through our bodies.

I was at a meeting recently, (August 6) and the topic was

taken from an AA friendly publication and in it the, “*Thought for the day*”, was explaining how *Psychologists are turning to religion* in order to add the element of, *a faith in something outside of ourselves*, to their message, because faith was an act of the mind and of the will. It also said that the clergy *and rabbis were turning to psychology* to enhance their message in order to reach a *more modern society*. To me, it was the best approach I believe I’ve heard to express the all inclusiveness of the AA program when it comes to understanding the concept of, a power greater than ourselves.

When I think of my old friend’s mention of, *a quiet heart*, I can see how it might mean something different to each of us. To the romantic, it probably means the place inside where they feel emotions, and more than just that blood pump in our chest. On the other hand, to the person with a religious foundation, it is, most likely, referring to the *soul*. To the psychologist it is most likely referring to the *conscience*. Call it what we may, to me

Continued on next page...

...Continued from previous page

this implies that there is something inside of us all that cannot be dismissed. It seems to be keeping a *catalog of all of our behaviors; good and bad, then reintroduce them to us again each morning when we wake up* and we keep reliving them, over and over. It's Time to put them to rest. We used to drink to make them go away. We have the will to live by the dictates of our heart, our soul, or our conscience, and that is where we have ability to right all of those, *unresolved mental issues*.

The program of alcoholics Anonymous, from beginning to end, is designed to recognize, acknowledge and resolve all of these issues by bringing it all to the surface in the safety of the people that have been through this process and understand what the individual is faced with. The good news is that as you resolve each of these concerns you will be freeing up all of that mental space and energy that has been causing the tormenting regrets of the past. When we recognize the pain that our past thinking and behavior has caused and have put forth the effort to resolve it, it is unlikely that we will be willing to return to those old behaviors.

Our unbridled instincts caused our behavioral problems. Our heart/soul/conscience recorded these things, and our minds live with the mental torment as the result. A quiet heart/a clean soul/ a clear conscience leads to peace of mind and when a person has peace of mind, a drink has no appeal to him/her and in the morning, they wake up with smiles on their faces. ☺

SRI CENTRAL OFFICE REPORT

Hello Everyone!

We are now gearing up for our Annual Christmas Alcothon!!! The first few Committee Meetings will be taking place on Wednesdays; September 28th, October 12th, October 26th....The Committee Meetings will be taking place here at the Central Office at 6:30pm. If you would like to be a part of this wonderful event, please attend to find out what kind of service commitments are needed and available!

SRI is bringing back the "Birthday Plan!" Many groups around the state participate in this. Members may express their Gratitude for Sobriety by making contributions to Salt

River Intergroup. Some members send a dollar a year for each year of Sobriety. Others use the figure \$3.65, a penny a day, for their sobriety. Whatever you may decide, contributions do equal service! It is Twelve Step work to help carry the message and help keep the hand of AA always there! It is a great way to give back to what has so freely been given to us! Gratitude for Sobriety! Donations can be mailed to Salt River Intergroup, 3215 E Thunderbird Rd., Phoenix, AZ, 85032.

There are leftover goodies from the Round-Up! T-shirts, flashlights, pens, cups, etc. They make great sobriety gifts for anniversaries! Visit the store to purchase.

We have one phone position available on Wednesdays from 9am-12pm. We also have two spots available to answer the phones from your home after hours. If you are interested in answering the phones either here in the office, or after hours (TAS) please let me know. It is

suggested that you have one year of continuous sobriety as well as worked your 12 Steps. If interested please give me a call (602)264.1374 or email

info@sriphoenix.org. The life you save just might be your own.

We are in the process of updating our 12 Step call list. We are looking for individuals who have some 12 step experience and would like to be added to this list.

We have a shortage of Women on this list, so please, if you are a woman and would like to participate, please don't hesitate! This list is kept

here at Central Office and is used if an individual calls the hotline and needs someone to talk to or possibly someone to take them to their first meeting. If you are interested, please call Central Office at (602)264.1374

As always, please remind your groups to buy literature and chips from the SRI office to help support your local AA Intergruop so that we can keep the hand of AA there for all who need it.

In Loving Service,

Chandra H.
