## From Your Steering Committee

### Tradition Twelve

**And finally, we of Alcoholics Anonymous believe that the principle of anonymity has an immense spiritual significance. It reminds us that we are to place principles before personalities; that we are actually to practice genuine humility. This to the end that our great blessings may never spoil us; that we shall forever live in thankful contemplation of Him who presides over us all.**

Amen.

#### Questions

- Why is it a good idea for me to place the common welfare of all AA members before [my] individual welfare?

- What does "principles before personalities" mean to me?

**Note:** It has been a privilege and an inspiration to have been able to provide my thoughts on our Twelve Traditions for the Filing Cabinet this year. Our traditions are so rich, I could offer only a few discoveries I've made on my journey so far through sobriety. Perhaps you have made these and other discoveries. Perhaps they will change and develop with time, as I pray mine will. Regardless, may these traditions light our spiritual pathways always.

David B.

### Tradition Twelve Checklist

Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Why is it a good idea for me to place the common welfare of all AA members before individual welfare? What would happen to me if AA as a whole disappeared?

When I do not trust AA's current servants, who do I wish had the authority to straighten them out?

In my opinions of and remarks about AAs, am I implying membership requirements other than a desire to stay sober?

Do I ever try to get certain AA group to conform to my standards, not its own?

Have I a personal responsibility in helping an AA group fulfill its primary purpose? What is my part?

Does my personal behavior reflect the Sixth Tradition – or belie it?

Do I do all I can do to support AA financially? When is the last time I anonymously gave away a Grapevine subscription?

Do I complain about certain AA's behavior – especially if they are paid to work for AA? Who made me so smart?

Do I fulfill all AA responsibilities in such a way as to please privately even my own conscience? Really?

Do my utterances always reflect the Tenth Tradition, or do I give AA critics real ammunition?

Should I keep my AA membership a secret, or reveal it in private conversation when that may help another alcoholic (and therefore me)? Is my brand of AA so attractive that other drunks want it?

What is my real importance among more than a million AAs?

**Starting February 3rd  
Central Office will be  
open on Saturday's  
9am to 1pm.**

## Concept Twelve

This Concept consists of the 12 General Warranties of the General Service Conference. Simply looking to the meaning of the word “warranty” will explain a great deal about this concept. By definition, a warranty is a written guarantee that something will work in a certain way and the promise to repair or replace if necessary. Concept 12 endeavors to guarantee that the General service Conference will work in a certain way, that is, to possess qualities of prudence and spirituality.

Although the conference charter itself can be amended freely, the 12 warranties are subjected to the same amendment process of both the 12 Steps and the 12 Traditions; “written consent of three- quarters of all A.A. groups” in the world!

The 12 Warranties expresses spiritual principles and seek to hold the Conference fast to A.A as a whole. Taken from December 2020

**Central Office will be closed  
December 25th and January 1st for  
Christmas and New Year's**

**HYBRID!!! PI/CPC meets on the 4th Tuesday of the month at 7:00pm;  
Meeting ID: 976 6139 5578 Passcode: 397657 & In person at SRI Central  
Office 3215 E. Thunderbird Rd, Phoenix 85032**

## Concept Twelve Checklist

The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

How do we guard against becoming a “seat of perilous wealth and power”?

How do we practice prudent use of our Seventh Tradition contributions and literature revenue?

Do we insure the spiritual liberties of all A.A. members by not placing any member in the position of absolute authority over others?

Do we try to reach important decisions by thorough discussion, vote and, where possible, substantial unanimity?

As guardians of A.A.'s traditions, are we ever justified in being personally punitive?

Are we careful to avoid public controversy?

Do we always try to treat each other with mutual respect and love?

## Steering Committee Member Spotlight

As we bring the year to a close, I want to thank you all for the opportunity to serve on the Steering Committee. We have had some amazing events and I hope to close it out the same at our winter alcathon. I have learned so much through service and hope to continue to grow in the following year. This year did not go as I had planned, nor should it, but as it says in our book nothing happens in God's world by mistake. I am grateful to be part of this Intergroup and Steering Committee and all the wonderful people I have met. I look forward to another year of growth, fellowship and service. Please reach out if there is anything we can help with for your groups.

Thank You For Letting Me Be of Service

Adrian B.
