January 9, 2024 Intergroup Business Mtg.**Tradition 1**

Each member of Alcoholics Anonymous is but a small part of a great whole. A.A. must continue to live or most of us will surely die. Hence our common welfare comes first. But individual welfare follows close afterward.

When I came to Alcoholics Anonymous, I did not want to be part of any great whole. I was ashamed and full of anger and fear. I did not want to need anyone's help and sure did not want to admit that I couldn't do this alone. I love that I can remember that version of me and know how different I am today. Today, I cannot imagine walking this road without my fellows.

This tradition guides me and reminds me that for Alcoholics Anonymous to work in my life, I stay present in my recovery. I am part of a larger group of people who, together, learn and grow from one another. Because I stay, I am able to be here for the next person who comes through our doors. That next person will have the opportunity to see what Alcoholics Anonymous can mean in their life too. Because we stay, the door is open for the next Alcoholic to find our solution. This is how Alcoholics Anonymous was here for me and if we remember that, it is how it will be here for the next person.

Question: Am I informed about AA as a whole? Do I support AA as a whole in every way I can, or just the parts that I understand and approve of?

Concept 1

The final responsibility and the ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.

However, in 1948, there occurred an event that shook us all. It became known that Dr. Bob was suffering from a fatal illness. As nothing else could, this news drove home the hard fact that he and I were almost the sole links between our virtually unknown Trustees and the movement they served. The Trustees always had relied heavily upon Dr. Bob and me for advice. They had taken a firm grip on money expenditures, but they necessarily turned to us every time that A.A. policy questions arose. Then, too, the groups of that time did not really rely much on the Trustees for the management of their service affairs; they were still looking to Dr. Bob and me. So here was a society whose total functioning was still largely dependent upon the credit and the confidence which, for the time being, its founders happened to enjoy.

The fact had to be faced that A.A.'s founders were perishable. When Dr. Bob and I had gone, who would then advise the Trustees; who could link our little-known Board to our thousands of groups? For the first time it was seen that only a representative conference could take the place of Dr. Bob and me. This gap simply had to be filled without delay. Such a dangerous open end in our affairs could not be tolerated. Regardless of trouble or expense, we had to call an A.A. General Service Conference and deliver our world services into its permanent keeping. It took little imagination to see that future collapse would be the certain penalty if we did not act boldly and decisively. Thus, propelled by events, we did take the necessary action. Now that the Conference is in its second decade, we find that our former fears of the troubles a Conference might involve were largely groundless. The results of the Conference have exceeded our highest expectations. It now stands proven that the A.A. groups can and will take the final responsibility for their world services. Taken from January, 2020 Filing Cabinet

Question: Are we willing to do what it takes to insure that our democracy of world service will work under all conditions?

Salt River Intergroup GSR 2024 PRASSA PROPOSED TRAVEL EXPENSES FOR CONSIDERATION AND APPROVAL

Hi all,

Listed below are the estimated travel expenses for me to attend PRASSA March 1 -3 in San Francisco subject to this body's approval. I was able to secure all PRASSA discounts plus very reasonable airfare. Last year's 2023 Los Angeles PRASSA budget was \$1,200.00 was approved but final expenses came in well below the approved number. San Francisco can be a little pricey, but I think I can come in close to last year's expenses.

PRASSA 2024 Estimated Expenses:

Hotel: \$378.00

Airfare: \$348.00

Event Registration: \$40.00

Airport Parking PDX: \$26.85 * Groupon 3-day parking. Cheaper than uber to & from my house

Meals/Including gratuity: \$240.00 * (6 meals, Fri, Sat, Sun) (\$40.00 per meal) * All at the Hotel

Airport shuttle Gratuity: \$40.00

Total Estimated Expenses: \$1,072.85
