**March 12, 2024 Intergroup Business Mtg.****Tradition 3**

Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group they have no other affiliation.

If I look solely at the tradition's short form "*The only requirement for AA membership is a desire to stop drinking.*" and don't dig further, I would share something along the lines of 'This makes sense... since we are anonymous, who could be in charge of membership anyway?'

There's nothing wrong in that statement, I mean who would be in charge of that? How would or could it be enforced? But that is only a piece of what Tradition 3 is really about.

Tradition 3 allows me to make a decision. I decide if I am an Alcoholic. I decide if I want to do something about that. And I decide if I want to be a part of Alcoholics Anonymous. No one chooses that for me.

In the long form, AA goes further. It also points out that when two or more Alcoholics gather for the purpose of sobriety, they can call themselves an AA group. I look at that sentence and notice the words '*gather for the purpose of sobriety*'. What does that mean? It means that when 2 or more people gather together and the purpose is sobriety – no other purpose being present, that they may call themselves an AA group.

The long form ends by emphasizing the group can have no other affiliation. What does that mean? Affiliation can be defined as being closely associated with or connected to a person, place, group, political party, etc. This takes us back to our primary purpose. Our primary purpose is to help alcoholics to achieve sobriety. The danger of connecting ourselves to an outside person, place, group, etc. would be that we now have to decide if we want to be a part of that new thing. That new thing that could stand between me and the fellowship... between me and sobriety.

This tradition feels like freedom to me. I decide to be part of and while I'm here, the whole point is that decision. The decision that I am an Alcoholic and that I want to be sober. The traditions, much like the steps, meet me where I am.

I am Alison, an Alcoholic.

**Concept 3**

**1. "To ensure effective leadership, we should endow each element of A.A. –the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional "Right of Decision."**

There will be times where we'll need to trust our trusted servants to make decisions without a group or service entities' approval. Concept 1 & Concept 2 by themselves cannot ensure the smooth operation of A.A. business. There will be times that the full facts (additional background information) and debate are not available to groups, will help further inform our trusted servants and their decisions (and their votes on our behalf).

## Salt River Intergroup -- Month-End Reports

Bill W. warns against using “The Right of Decision” as an excuse for failure to make proper reports of actions taken; or for exceeding a clearly defined authority; or for failing to consult the proper people before making an important decision. But he concludes: “Our entire A.A. program rests squarely upon the principle of mutual trust. We trust God, we trust A.A., and we trust each other.

Those decisions may ultimately differ from the original consciences given to them when we ask them to vote on our behalf – but those differently made decisions are vital in allowing them to be more than mere messengers. They have a brain, let’s let them use it.

Check List for your Groups:

- Do we understand what is meant by the “Right of Decision”?
- Do we grant it at all levels of service, or do we “instruct”?
- Do we trust our trusted servants – G.S.R., D.C.M., area delegate, the Conference itself?

“I chose sober because I wanted a better life. I stay sober because I got one.”

## Salt River Intergroup Liaison March Report 2024 Report

Hi everyone, like reported last month, 2024 looks to be a year full of enthusiasm here in the valley and SRI is certainly trying to do its part to promote AA unity through a host of services and fun events where people can come to fellowship, hear a message of hope, and have opportunities to be of service.

Planning meetings are underway for both the 81<sup>st</sup> Anniversary Saturday May 4<sup>th</sup> and Summer Roundup August 9,10 & 11<sup>th</sup>. See attached for more information and the event liaisons will provide more info a little later in this meeting.

Because of you all, I attended the Pacific Region of Alcoholics Anonymous Service Conference March 1<sup>st</sup> through the 3<sup>rd</sup>. Being connected to the Pacific Region of AA by this conference and witnessing the flow of information from General Service Board Trustees, the General Manger from GSO, Area Delegates, District Officers, Intergroup Reps, GSR'S to just a curious AA, was truly amazing as always. The weekend is like drinking from a firehose of information. I have a thumb drive plus my notes and like most attendees needing to report, I will provide a more comprehensive written report of conference item details next month.

Also, heartwarming was that as usual, there was opportunity for attendees to ask tough questions, give opposing polarized opinions, and have discussions through roundtables, panel meetings, ask it baskets and open sharing sessions. Courteous discord etiquette was the flavor of the conference.

The event was in the heart of San Fransisco and the host committee did an excellent job organizing all aspects of the event. I have not turned in all my receipts yet, but I am sure I came in under the \$1,200.00 budget as I drank more coffee than ate so I would not miss anything.

Thank you again for the opportunity to serve.

In gratitude,  
Bud C  
Vice Chair
