Consideration for: Salt River Intergroup, Advisor Position

I am writing to express my interest in the Steering Committee Advisor Position. As someone who actively lives and practices the AA triangle of recovery, service, and unity. I believe my values and experiences align well with the responsibilities of this role.

Over the past five years, I have embraced these core principles through my personal recovery while working with my sponsor. I strive to live the steps, traditions, and concepts daily and supporting others in their own paths.

Service has always been a central part of my commitment, from sponsoring individuals to participating in local SRI AA events. For example:

- 2020 – Volunteer at SRI Roundup as Registration
- 2021 – Co-Chair at SRI Roundup as Greeter
- 2022 – Co-Chair at SRI Roundup as Panel
- 2023
 - – Secretary for SRI Anniversary
 - – Chair at SRI Roundup as Panel
- Speaker for meetings as requested over the years.
- Participating in a Women’s Recovery Book Study.

I am particularly drawn to this advisory position because it offers the opportunity to further support our community by providing guidance, fostering collaboration and uphold the values of unity. I believe I would be good fit not only for what I bring from a recovery perspective, but I also have myriad experiences serving on executive boards over the past twenty plus years ranging from holding roles as President, Vice President, Treasurer, Secretary with multiple different entities IE, PTA, Little League, and Band Boosters. I am also well versed in Roberts Rules of Order.

Thank you for considering my application. I look forward to the possibility of working together to further the mission of the Salt River Intergroup Steering Committee.

Warm Regard,

Kimberly B
