SALT RIVER INTERGROUP

Be the light! Engage in service! Carry a message of HOPE!

When I got sober, my Sponsor rooted deep inside of me a key to staying sober. . .HELP OTHERS! Our AA Big Book states on page 89: "Practical experience shows that nothing will so insure immunity from drinking as intensive work with other alcoholics. It works when other activities fail." That's what it says, so that's what I do.

Service is not always convenient! Sometimes it is challenging to answer a call, connect with a hurting friend or to go out of our way to do a 12-step call. Regardless, the work must be done!

Over the years, I've served on many levels including sponsorship, Homegroup service, Committees and Intergroup. Not all service is glamorous yet each is necessary to CARRY THE MESSAGE! Regardless of my position, I remember my WHY!

Be the light! Get INVOLVED! LIVE the triangle: unity, recovery and SERVICE!

In love and service,

Robbin B.

Tradition Nine

From Your Steering Committee

A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

“What do they mean, no organization?” It’s a good question. How can we be unorganized while we also have service boards and committees? It comes down to the meaning behind the words.

Tradition Nine tells us no organization, meaning we do not govern. We do not make rules, we do not restrict or discipline our members. We don’t track our membership even. When you look at a business, government or club you will find rules and regulations. AA has none of that.

What we do have are individuals who choose to help support our sober fellowship. We work together to make sobriety available to the next person. We do this in *service*. That is the difference. Service in AA allows us to bring sobriety within reach of all who want it. We authorize individuals to serve us, not govern us.

In the spirit of service, we elect people to serve in rotation. Our intergroup is a great example of this. We have elections every year for positions on the steering committee. On the steering committee, each person accepts responsibility for the role they’ve agreed to. Each person serves for a set period of time, then we have elections again. In fact, elections will be coming up soon. It is time for rotation again. I’m excited to see who will step up to committee roles like Chair, Co-Chair, Treasurer and Advisor.

My personal journey started with a sponsor who was very service oriented, I was part of a large homegroup and was elected to its steering committee. I started out thinking I know how to do things, so just follow me! Well, that didn’t last, no one wanted that brand of service. I stayed though, I watched, asked questions, made decisions, made mistakes.

Over the years I’ve had different commitments from chairing meetings, H&I Rep, Treasurer, Intergroup Rep, and now as part of the Intergroup Steering Committee. Each time I step into a role I get to meet new people, learn more and then leave the role for who will come next. That is part of being in service too, once I am good at something, once I think of it as mine, it’s time to turn it over to the next person.

Question

Do I try to “boss” things in AA?

Do I ever resist formal aspects of AA because I see them as authoritative?

Am I aware of all those to whom I am responsible in any AA job?

Have I learned to step out of an AA job gracefully – and profit thereby – when the time comes?

What does rotation have to do with anonymity? With humility?

**HYBRID!!! PI/CPC meets on the 4th Tuesday of the month at 7:00pm;
Meeting ID: 976 6139 5578 Passcode: 397657 & In person at SRI Central

Tradition Nine Checklist

AA, as such ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Do I still try to boss things in AA?

Do I resist formal aspects of AA because I fear them as authoritative?

Am I mature enough to understand and use all elements of the AA program --- even if no one makes me do so --- with a sense of personal responsibility?

Do I exercise patience and humility in any AA job I take?

Am I aware of all those to whom I am responsible in any AA job?

Why doesn’t every AA group need a constitution and bylaws?

Have I learned to step out of an AA job gracefully --- and profit thereby --- when the time comes?

What has rotation to do with anonymity? With humility?

Concept Nine

“These Twelve Concepts therefore represent an attempt to put on paper the why of our service structure in such a fashion that the highly valuable experience of the past and the conclusions that we have drawn from it cannot be lost” – Bill W. 10th General Service Conference -1960 New York, New York.

Concept 9

“Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.”

Bill considered the idea of leadership in AA to be so important he devoted Concept 9 to this ‘ever vital need’. The preceding concepts describe a structure of service in AA and associated principles, such as the ‘rights’ of decision, participation and minority opinion, that helps us to operate effectively and carry the message at all levels to the alcoholic who still suffers. However, the best structure isn’t much use if there are no capable and willing leaders to fill the service positions. This concept reminds us that we are to put aside our differences and vote people into service that are the best people for the particular job, whether it be that of GSR, Intergroup liaison officer or rep, Region Chair, Conference delegate or Board Trustee.

This concept includes a discussion on leadership put forward by Bill, who identifies some of the qualities a leader should have, such as a vision.

Your Check List:

- Do I see a relation between the Traditions and the Concepts?
- Does my home group hold Traditions or Concepts discussions?
- What is meant by ‘leading by example’?
- What are the qualities of a good leader?

“Staying Sober really was the most important thing in my life now and had given me direction when I thought I had none.”

Eric Clapton - sober since 1987

Concept Nine Checklist

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

- Do we discuss how we can best strengthen the composition and leadership of our future trusted servants?
- Do we recognize the need for group officers? What is our criteria for election? Do we sometimes give a position to someone “because it would be good for them”?
- Do I set a positive leadership example?
